

Labeling & Packing

Label the gifts

Clearly label the outside of the gift box or envelopes with the provided unique **Family Code**. You may handwrite the code or use a sticker/label. You may also write individual names on each gift to ensure they go to the intended recipient.

Prepare for delivery

Place ALL gifts for the entire family in a large box or bag. A plastic tote box is a great option for keeping gifts together and as a bonus, the family can reuse the tote for storage! Make sure the **box is closed completely**. If you use multiple boxes or bags for your family, make sure to indicate this on the label. (*Item 1 of 3, Item 2 of 3, Item 3 of 3*)

The label should include the unique **Family Code** and the **Item Count**.
